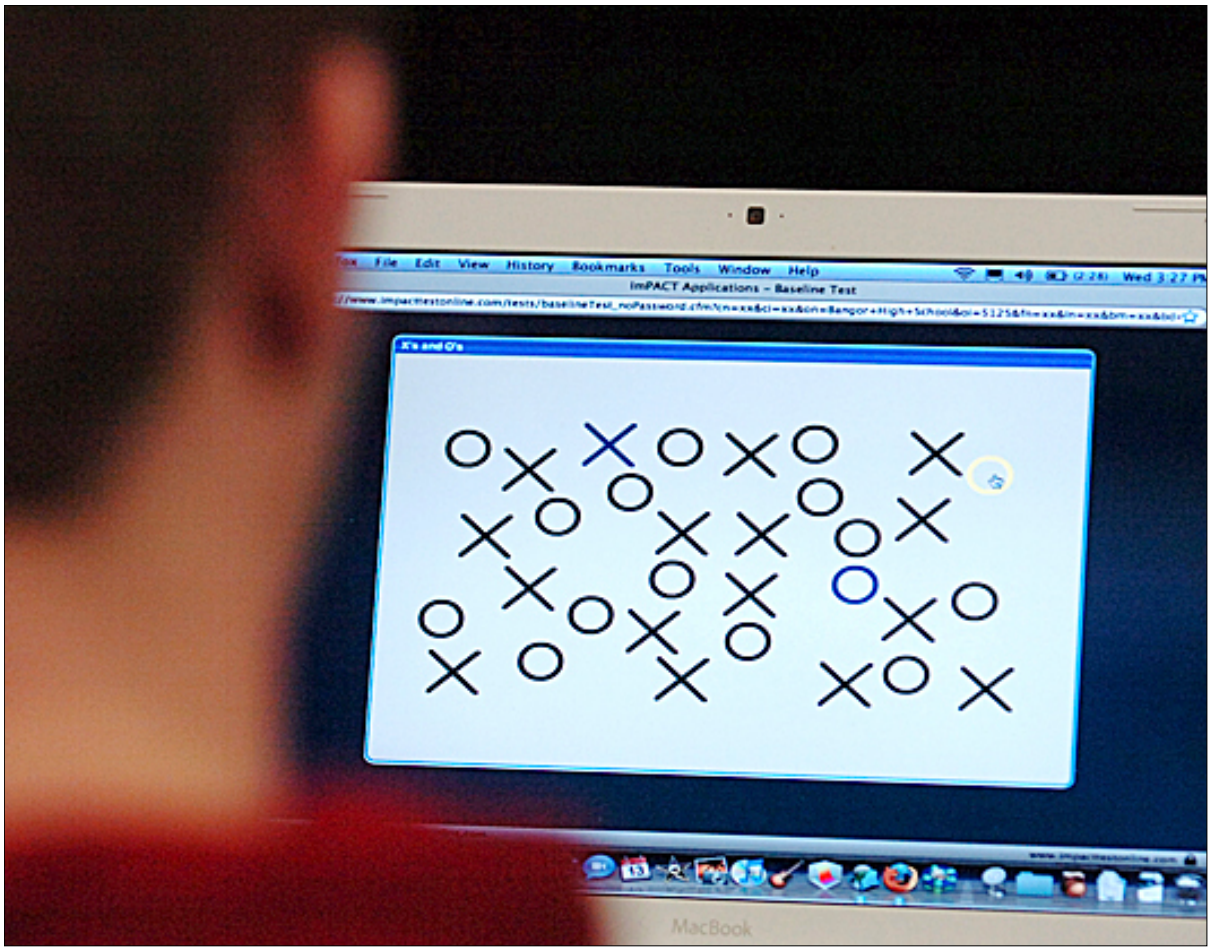
BLIZZARD BAG #3



ImPACT Testing

1. Please log into the ImPACT test per the instructions provided in class.
2. Open and complete the full ImPACT test. Take a screenshot when you are finished to prove you completed the test.
3. Answer the following questions below. Only ***TYPED*** responses will be accepted. 3-4 Sentences per response:
    A. What positives do you see from this test and why?
    B. What parts were particularly difficult for you and why?
    C. If you had to improve the ImPACT test, how would you improve it?
    D. Do you think the ImPACT test has a place in medicine? Analyze some of the positives and negatives.
    E. Would you consider implementing ImPACT when you get your first job in medicine? Why or why not?
