

Blizzard Bag 2

Articulation

1. Find all the words from Blizzard Bag Word List 2 with your sound in them and say them 5 times each. See if you can use them in a good sentence too.
2. Find 10 times items around your house that have your speech sound in them. Say the name of the item 5 times each using your best speech.

Language

1. Find 5 words on the Blizzard Bag Word List 2 and describe them by naming their group/category, the function and an attribute (color, shape or size).
2. Play "I Spy" with your speech helper. First, describe something in your house and have your speech helper guess the answer, and then have your speech helper describe an item and you guess the answer. Remember to use your best speech sounds.
